Time took away everything  
My whole life flashed in front of me  
Now all I have are these memories  
I keep them tucked close to me  
I just want to wake up from this bad dream

[Chorus:]

I wish there was more time  
The question is do you have it?  
'Cause I'm lost in this habit  
Of losing everything at once  
So I'll try to remember all the good times  
And the bad times I'll forget  
Just to sit back and regret  
So we can live it up and do it one last time

Do it one last time

Seems now the days are getting longer  
Yes they're longer  
So I move on  
With my heart strong  
And I hate the way things have to be

[Chorus]

[Chorus]

I wish there was more time  
The question is do you have it?  
'Cause I'm lost in this habit  
Of losing everything  
At once
