I rode by bicycle past your window last night  
I roller skated to your door at daylight  
It almost seems that you're avoiding me  
I'm ok alone but you've got something I need  
Well, I've gotta brand new pair of roller skates  
You've got a brand new key  
I think that we should get together  
And try them out ya see  
I've been lookin' around a while  
You've got somethin' for me  
Oh, I've gotta brand new pair of roller skates  
You've got a brand new key  
I ride my bike, I roller skate, don't drive no car  
Don't go too fast, but I go pretty far  
For somebody who don't drive I've been all around the  
world  
Some people say I've done all right for a girl  
Oh yeah, yeah-yeah-yeah, yeah-yeah-yeah, yeah-yeah,  
oh yeah, oh yeah,  
yeah-yeah  
I asked your mother if you were at home  
She said yes, but you weren't alone  
Oh sometimes I think that you're avoiding me  
I'm ok alone but you've got something I need well  
Well, I've gotta brand new pair of roller skates  
You've got a brand new key  
I think that we should get together  
And try them out ya see  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la  
Oh, I've gotta brand new pair of roller skates  
You've gotta brand key  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la  
Oh, I've gotta brand new pair of roller skates  
You've gotta brand key  
La, la, la, la, la, la, la, la  
La, la, la, la, la, la  
Oh, I've gotta brand new pair of roller skates  
You've gotta brand key
