(Deana Carter/Wendy Waldman)

Man, look at that rack
Right next to the popcorn and the battery packs
Am I supposed to be skinny or fat?
Hmmm?
Sometimes I get so depressed
Am I supposed to wears pants or a see-through dress
My friends say that I've become obsessed
Hmmm?

I wanna be on the cover of a magazine
I wanna be on the cover of a magazine
Hair piled high, tons of diamonds
It all looks good to me

How come it's such a big deal
It's about how you look and not how you feel
All I know is I wanna wear those heels
Yeah
Every day, everywhere you look
For \$2.99 you get to sink your hooks
In the lives of heroes, in the lives of crooks
It's all good

I wanna be on the cover of a magazine
I wanna be on the cover of a magazine
Hair piled high, tons of diamonds
It all looks good to me

I'm gonna wear a little pillbox hat
I'll be showing you this, I'll be showing you that
I finally get to be the homecoming queen
My mom and dad will be so proud of me

I wanna be on the cover of a magazine
I wanna be on the cover of a magazine
Hair piled high, tons of diamonds
It all looks good to me
