Flowers and wine is what I thought I would find  
When I came home from working tonight  
Well now here I stand, over this frying pan  
And you want a cold one again

I bought these new heels, did my nails  
Had my hair done just right  
I thought this new dress was a sure bet  
For romance tonight  
Well it's perfectly clear, between the TV and beer  
I won't get so much as a kiss  
As I head for the door I turn around to be sure  
Did I shave my legs for this

Now when we first met you promised we'd get  
A house on a hill with a pool  
Well this trailer stays wet and we're swimmin' in debt  
And now you want me to go back to school

I bought these new heels, did my nails  
Had my hair done just right  
I thought this new dress was a sure bet  
For romance tonight  
Well it's perfectly clear, between the TV and beer  
I won't get so much as a kiss  
As I head for the door I turn around to be sure  
Did I shave my legs for this?

Darlin' did I shave my legs for this?
