"If This Is Love"

Visit "[If This Is Love](#)" on MotoLyrics.com

Hold your racing horses just one minute
A funny feeling coming over me
I'm hearing violins and Tony Bennett
Boy if this is love then I'm in it
(Chorus)
It was a triple digit summer
I thought I'd let you share my ice cream cone
We took a walk going nowhere
But I was already already gone
The train of love is rolling and i'm on it
Destination end of the line
Evert star i see i wish upon it
Boy if this is love well then i want it
(Chorus)
It wasn't bad as i thought it would be now was it
Simple as the dimple in your smile
I just can't resist kissin' and huggin'
Boy if this is love then i sure love it
Boy if this is love
Boy if this is love
Boy if this is love i sure love it
