GO!

I can look deep into your eyes,
And tell you how I care for you.
I can hold your hand and whisper,
Please never go away...
But that's so much of a lie!

Cause I don't really care for you!

Don't trust me when I say,
Things will be okay!
Cause honestly, I don't care at all...
Don't trust me when I say,
Things will be okay!
Cause I don't care, even if you fall.

GO!

You told me how you loved me,
And I told you the same...
But inside of me I felt so fucking lame!
You said to me that someday,
You wanted me to be your man...
But you're nothing else to me more than a fan!

Everything I say, is a lie.

Don't trust me when I say,
Things will be okay!
Cause honestly, I don't care at all...
Don't trust me when I say,
Things will be okay!
Cause I don't care, even if you fall.

But of course I need you here,
Yeah I got you for a purpose!
Cause then at least I can pretend,
I'm something deep beneath the surface!

I told you I could die, for you!

But that's not true.

Don't trust me when I say,
Things will be okay!
Cause honestly, I don't care at all...
Don't trust me when I say,
Things will be okay!
Cause honestly, I don't care at all...

Don't trust me when I say,
Things will be okay!
Cause honestly, I don't care at all...
Don't trust me when I say,
Things will be okay!
Cause I don't care, even if you fall.
