Sick of the dirt you shoved in my face
Sick of the lies, the lies they say
Thought I had thick skin, but it's eating from the
Inside
Anger and depression ? my mind is swayed

A thousand handshakes, I'll always feel alone
Would you like to feel what I...
Always thought these things couldn't get to me
Would you like to feel what I feel

I'm at the end of my line

Claimed to care but when I reached out
You weren't there, my luck turned around
Since then you're nowhere
Nowhere to be found

Sick of the dirt you shoved in my face
Sick of the lies, bullshit that you said
Elephant skin, but it's eating from the inside
My mind ? my mind is swayed

A thousand handshakes, I'll always feel alone
Would you like to feel what I feel

A thousand handshakes
A thousand handshakes
I'll always feel alone

My life is going awry
But I'm gonna fight this
On my own!
