Just one more hour and I'll know the truth  
That separates the right from all the wrong feelings  
That you have about me, your grace is distracting me

So white out the memories  
Each sarcastic shot you took at me  
With your hurtful tones and biting melodies

Just one more outburst and I'm leaving you  
Like you left me one year ago  
And I know that this could never be an apology from  
you

A meaning buried under shuttered breathing  
Taking too long for me to spit it out

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die tonight  
I'll dream my pain away

I'll let the lack of words speak for me  
The way I am, I can't express or understand  
I'll take the time now to make you see

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die tonight  
I'll dream my pain away

I see through your lies  
They're bleeding from your eyes

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die, I'm on my way

Tell me everything will be alright  
Close your eyes and dream of me tonight

Tell me that you won't just fade away  
Cross my heart and hope to die tonight  
I'll dream my pain away
