Coming back nâ´ home again, I find myself alone.  
No one here to talk to so I'm sitting by the phone.  
Coming back nâ´ home again, hearing screams and  
moans.  
Jump out through the window and just going by the  
flow.

Coming back nâ´ home again, so tired of this place.  
All they ever talk about is this stupid rat-race.  
Taking out my skateboard, going down the road.  
That leads us to LightvalleyÂ´o, and that's far away  
from home!

Anywhere I go, I am better, I am better all alone!  
Anywhere I go, I am better, when I'm far away from  
home!

Coming back nâ´ home again, back from ValleyÂ´o.  
I found out that the inhabitants where just drugdealers  
and hoe's.  
Coming back nâ´ home again, now I'm here to stay.  
Taking out my skateboard but I'll never go away!

Anywhere I go, I am better, I am better all alone!  
Anywhere I go, I am better, I am better all alone!  
Anywhere I go, I am better, when I'm far away from  
home!  
FROM HOME! FROM HOME! FROM HOME! FROM HOME!
