I don't believe in God, don't think I ever will.
I'm not a member of the church, it just brings another
bill.
I've always been like this, at least for very long.
And I will never change, until you proove me wrong.

Don't try to change me, I'm still the man I want to be.
(Waste your time!)

I live for the day, carpe diem, sieze the freedom, I just
wanna play.
Don't waste time waiting, for some saviour, believe in
yourself.

I don't mind of what you think, what you're thinking
about me.
I don't care for how you feel, and what you want me to
be.
People always speak of me, but I don't care at all.
They try to bring me down, yeah they wanna see me
fall!

Don't try to raise me, don't tell me who to be!
(Rule my world!)

I live for the day, carpe diem, sieze the freedom, I just
wanna play.
Don't waste time waiting, for some saviour, believe in
yourself.

Everybody try to make you to believe that everything
you do, is not right!
But you have to stand up for yourself, and don't be
afraid for a fight!
They try to bring you down, they try to shut you up, so
you wont make a sound!
Look at yourself! you're who you want to be, and in a
way you're just like me!

Don't dare to face me, don't dare to look away!
(Face the truth!)

I live for the day, carpe diem, sieze the freedom, I just
wanna play.
Don't waste time waiting, for some saviour, believe in
yourself.
