Voices I hear, they're nothing but shadows.
Voices I hear, they're nothing but shadows.
So why, are you, here? Just leave me alone.
I need more than you to grow, ooh-oh.

Coming back in silence, as the person I tried to be.
Coming back in silence, as the person inside of me.
Don't ask me why I'm doing this, cause you don't
wanna know.
But you know that I will follow you wherever you go.
And when you're getting lonely, when noone is around.
You know that I will catch you when you're falling down.

Anywhere you go, yeah you know that I will follow!
Anywhere you go, yeah you know, I'll be there to take
you home.

Anywhere you go, yeah you know, that I'll be there, to
take you home!
Anywhere you go, yeah you know, that I'll be there, to
take you home!

Anywhere you go, yeah you know that I will follow!
Anywhere you go, yeah you know, I'll be there to take
you home.

Anywhere you go, yeah you know, that I'll be there, to
take you home!
Anywhere you go, yeah you know, that I'll be there, to
take you home!
Anywhere you go, yeah you know, that I'll be there, to
take you home!
Anywhere you go, yeah you know, that I'll be there, to
take you home!

Anywhere you go, yeah you know, I'll take you home.
Anywhere you gooooo...
