A year of kisses, laugh and love.  
And now it's summer, and now you're gone!  
We were happy, we were more than friends.  
We swore to love eachother, til' the end!

I will always remember you as the girl in my dreams!  
And I know that you're not like you seemed!

So why the fuck are you crying?  
You left me here dying!  
Why the fuck are you crying?  
You left me here all alone!

When you told me, we were through.  
You were crying, and I blamed you!  
Let me ask you were you left by me?  
No you weren't, so hold your tears!

I will always remember you as the girl in my dreams!  
And I know that you're not like you seemed!

So why the fuck are you crying?  
You left me here dying!  
Why the fuck are you crying?  
You left me here all alone!

Year of kisses! Laugh and love!  
Now it's summer! Now you're gone!

I will always remember you as the girl in my dreams!  
And I know that you're not like you seemed!

So why the fuck are you crying?  
You left me here dying!  
Why the fuck are you crying?  
You left me here all alone!

Why the fuck are you crying?  
You left me here dying!  
Why the fuck are you crying?  
You left me here all alone!
