Sick of the dirt you shoved in my face  
Sick of the lies, the lies they say  
Thought I had thick skin, but it's eating from the  
Inside  
Anger and depression – my mind is swayed

A thousand handshakes, I'll always feel alone  
Would you like to feel what I...  
Always thought these things couldn't get to me  
Would you like to feel what I feel

I'm at the end of my line

Claimed to care but when I reached out  
You weren't there, my luck turned around  
Since then you're nowhere  
Nowhere to be found

Sick of the dirt you shoved in my face  
Sick of the lies, bullshit that you said  
Elephant skin, but it's eating from the inside  
My mind – my mind is swayed

A thousand handshakes, I'll always feel alone  
Would you like to feel what I feel

A thousand handshakes  
A thousand handshakes  
I'll always feel alone

My life is going awry  
But I'm gonna fight this  
On my own!
