It's always the same  
always the same story  
"Tell me what, when I can come in"  
To a hopeless troglodyte  
But one more time  
my answer stands  
I swear I mean "no opens"  
But you better learn to read  
it's all 'bout membership

Hey, for you to note  
Ugly girls and boys  
I put you on my list  
And make you clap to this  
But, man, I just don't that trip  
My only one commune  
And soon you're saying different

[Chorus x2]  
D V N O  
Four capital letters  
Printed in gold  
'Cause details make the girls sweat even more  
while they're shaking their belt  
No need to ask my name  
to figure out how cool I am

[Refrain x2]  
Can anyone read, anyone feel  
That I'm losing my patience  
I just came here to bounce  
Ladies are all waxed  
They all now I'm coming  
I'm losing my patience  
I just came here to bounce

[Chorus x2]

[Refrain]

[Chorus]
