(1... 2... 3... YEAH! )

What makes you  
So disgusting  
That you would take his life?

(Chorus)  
We lost a hero today  
Sick fucker took him away  
We lost a hero today  
Musics never gonna be the same

"Death Rattle"  
So ironic  
We hope you rest in peace

(Chorus)

(Break)  
(I don't think you'll ever know  
Just how it feels  
For the four musicians  
To lose somebody like you  
We hope you rest in peace Dimebag Darryl  
We hope you're somewhere you're happy)

(Chorus)  
(Solo)
