I'm not your little toy anymore
So you can't play with my mind
So go on and head on your way
I don't need this right now
Or anymore

Yeah I'm out the door
I've wasted all my time on you
Well I should have known
Both me and you were so into you
And I can't take it anymore yeah

And I need someone else
One who cares about myself
The one that wants me because of me
And you can take your stupid "rockstar" dream
And run away
'Cause I don't need you
Don't need you anymore

Yeah I'm out the door
I've wasted all my time on you
Well I should have known
Both me and you were so into you
And I can't take it anymore yeah
