So much time I've spent
The sleepless night of
Guessing what would become of me and you
And I'm wondering what your next move would be

And I don't know how long you want to decide
If you want me or not
It seems that you could make me wait forever
And I don't have forever

'Cause you've had the time
So please hurry and make up your mind
Please tell me that this waiting
Hasn't been a waste of time

And I can't wait for you anymore to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good

And now it hurts me to move on
But if I don't I'll just go crazy, crazy
'Cause you've got me so wrapped up in you
And I'm running out of options
I don't know what to do, I wish I knew

And I can't wait for you anymore to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good
As it feels good

And I'm waiting for you no more
And I can't wait for you anymore to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good
