Visit "[Why](#)" on MotoLyrics.com

Sometimes I sit around and wonder why
Why You put up with all of this chaos
When You could end this sinful world in one second?
In one second You could end this sinful world

You are the one and only God
We lift our voices in praise to Your name
You stand high above anything
We could imagine, we could imagine

Sometimes I sit around and wonder why
Why You still love me when I do you wrong?
And I could never do anything to make You hate me
Even if I tried, even if I tried

In that time, in that place
Well, I was changed
