Justin Timberlake feat. Clipse  
Like I Love You

Just something about you  
The way I'm lookin at you whatever  
You keep lookin at me  
You gettin scared now, right?  
Don't fear me baby, it's just Justin  
It feel good right?  
Listen

I kind of noticed, from one night  
From the club, your front face  
It's kind of weird to me  
Since you're so fine  
If it's up to me you'll face no change

If you smiling, that should set the tone  
Just be limber  
If you let go, the music should move your bones  
Just remember  
Sing this song with me

Ain't nobody love you like I love you  
You're a good girl and that's what makes me trust ya  
Late at night, I talk to you  
You will know the difference when I touch you

People are so phony  
Nosy cause they're lonely  
Aren't you sick of the same thing?  
They say so and so was dating  
Love you or they're hatin  
When it doesn't matter anyway  
Cause we're here tonight

If you smiling, that should set the tone  
Just be limber baby  
If you let go, the music should move your bones  
Baby just remember  
Sing this song with me

Ain't nobody love you like I love you  
You're a good girl and that's what makes me trust ya  
Late at night, I talk to you  
You will know the difference when I touch you

Yeah, you know I can make ya happy  
I could change your life  
If you give me that chance  
To be your man  
I won't let you down baby  
If you give me that chance  
To be your man  
Here baby, put on my jacket  
And then ...  
Maybe we'll fly tonight (I just wanna love you baby)  
Yeah, yeah, yeah  
Maybe we'll fly tonight (I just wanna love you baby)  
Girl ...

[RAP]  
Ma, what chu wanna do?  
I'm in front of you  
Grab a friend, see I can have fun with two  
Or me and you put on a stage show  
And the mall kids, that's how to change low  
From them you heard "wow, it's the same glow"  
Look at me, I say "yeah, it's the same dough"  
We the same type, you my air of life  
You have sleepin in the same bed, er'night

Go rock with me, you deserve the best  
Take a few shots  
Let it burn in your chest  
We could ride down  
Pumpin N.E.R.D. in the deck  
Funny how a few words turn into sex  
Play this free, joint called "brain"  
Ma, take a hint  
Make me suerve in the lane  
The name Malicious  
And I burn every track  
Clipse and J. Timberlake  
Now how heavy is that?

Maybe we'll fly tonight (I just wanna love you baby)  
Yeah, yeah, yeah  
Maybe we'll fly tonight (I just wanna love you baby)  
Girl ...

Ain't nobody love you like I love you  
You're a good girl and that's what makes me trust ya

Late at night, I talk to you  
You will know the difference when I touch you

Break this down

You know, I used to dream about this when I was a  
little boy  
I never thought it would end up this way, [drums]  
It's kind of special right? yeah  
You know, you think about it  
Sometimes people just destined  
Destined to do what they do  
And that's what it is  
Now everybody dance.
