"Kissing Is Crime"

I know a little girl and I want her for my wife
She's pretty and sweet neat little feet and never been
kissed in her life
You can ask her for a kiss she said oh what a bore
Every time she bows and declares she'll never do so
anymore

Born to be a better girl and never kiss again
Afraid my ma might find it out and cause her great
pain
You may walk and talk and hold my hand but kissing is
a crime
I'll not kiss you anymore until next time

I called at her house one night but I didn't intend to
stay
She laid her head on my shoulder and said the old
folks are away
I kissed her a dozen times and someone came to the
door
Every time she bowed and declared she'd never do so
anymore

She'll see you too the door kiss and then goodnight
Every time she bows and declares she'll never do so
any more
