**[Verse 1]**

We're under pressure  
Seven billion people in the world trying to fit in  
Keep it together  
Smile on your face even though your heart is frowning  
But, hey now, you know girl  
We both know it's a cruel world  
But, I will take my chances

**[Hook]**

As long as you love me  
We could be starving, we could be homeless, we could  
be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me)

**[Verse 2]**

I'll be your soldier  
Fighting every second of the day for your dreams, girl  
I'll be your Hova  
You can be my Destiny's Child on the scene, girl  
So don't stress, and don't cry  
We don't need no wings to fly  
Just take, my hand

**[Hook]**

As long as you love me  
We could be starving, we could be homeless, we could  
be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me)

**[Verse 3]**

I don't know if this makes sense but, you're my  
hallelujah  
Give me a time and place, I'll rendezvous it  
I'll fly you to it, I'll beat you there  
Girl, you know I got you  
Us, trust, a couple things I can't spell without U

Now we on top of the world, cause that's just how we do  
Used to tell me sky's the limit, now the sky's our point  
of view  
Man, we stepping out like woa (Oh God!), cameras  
point and shoot  
Ask me 'what's my best side?', I stand back and point  
at you  
You the one that I argue with, feel like I need a new girl  
to be ballin' with  
But, the grass ain't always greener on the other side,  
it's green where you water it  
So I know, we got issues baby, true, true, true  
But I'd rather work on this with you than to go ahead  
and start with someone new  
As long as you love me

[Hook]

As long as you love me  
We could be starving, we could be homeless, we could  
be broke  
As long as you love me  
I'll be your platinum, I'll be your silver, I'll be your gold  
(As long as you love me)
