Don't let it end  
Don't let it end  
Don't ever let it end  
Well I got two tickets to the game  
It'd be great if I could take you to it this  
Sunday  
And I'll walk you home when the  
whole things done  
And if you're there I don't even care  
which team won  
We can stop at the coffee shop  
And make fun of the cops in the  
parking lot  
We can laugh as we both pretend that  
we're not in love and that we're just  
Good friends  
Well I'm tired of pretending, but I'm  
terrified of it ending  
I know if not for you there's nothing I  
could do to ever let it end  
And I know you feel the same way,  
cause you told me drunk on your  
birthday  
And as you pulled to me whispered in  
my ear "don't ever let it end"  
Don't let it end  
Don't let it end  
Don't ever let it end  
Saturday I'm going to take her out  
because her favorite band is gonna  
play

Downtown  
Gonna sing the song we've all heard of  
Bout those two good friends that  
shoulda fell in love  
Later on we'll cut through the park  
and she can hold my hand cause she  
Hates the dark  
We can laugh as we both pretend that  
we're not in love and that we're just  
Good friends  
Well I'm tired of pretending, but I'm  
terrified of it ending

I know if not for you there's nothing I  
could do to ever let it end  
And I know you feel the same way,  
cause you told me drunk on your  
birthday  
And as you pulled to me whispered in  
my ear "don't ever let it end"  
Don't let it end  
Don't let it end (Please promise me  
that this won't end)  
Don't ever let it end  
The greatest time we've ever had  
It's crazy now just looking back  
You never know where life's gonna go  
Cause we're the only ones who'll ever  
know  
About Sunday night just her and I  
Sitting side by side in the full  
moonlight
