Hey lonely lady with the big brown eyes I'm thinking  
your sadder than you realize  
I could make you smile and feel a little more realated  
We just really click, Would it be so wrong if we dated?  
Let's gooo.....jump on my skateboard, eat some cake  
along the lake.  
I'll do all..... your favorite stuff right off the cuff cause  
we're spontaneous  
Lets hop on the bus to shop we'llcheck out filene's and  
get chunky jelwery at chico's  
  
I'll buy you a panini and some spansks to make you tinny  
Lonely lady with the big brown eyyyeees.
