Mafia

The love the love is  
Bigger  
The love the love is  
Bigger  
The love the love is  
Bigger  
Big

Gotta believe in me  
gotta Believe in me, belive me like a fairytale  
The truth I need a pillowcase  
No I won't, I won't  
Ever ever let you down (No)  
Like a Seesaw lets you down (oh)  
You know why  
Cuz we ain't on the playground no more paperwork

We're big enough  
to stand in the picture  
We're big enough  
to stand next to love

I was a player  
when I was little  
but now I'm bigger  
I'm bigger  
A heart-breaker  
when I was little  
but now I'm bigger  
I'm bigger  
And all the haters  
I swear they look so small from up here  
Cuz we're bigger,  
and love's bigger,  
I'm bigger and you're bigger

Whoa oh  
remember when my heart was young  
it was still bigger then me (still bigger than me)  
Is that the reason that you stayed

When they got rid of me  
Now the bullies in the school yard  
Can't take our hugs and our kisses from us (No!)  
Because we ain't push-overs no more, paperwork

We're big enough  
to stand in the picture  
We're big enough  
to stand next to love

I was a player  
when I was little  
but now I'm bigger  
I'm bigger  
A heart-breaker  
when I was little  
but now I'm bigger

I'm bigger  
And all the haters  
I swear they look so small from up here  
Cuz we're bigger,  
and love's bigger,  
I'm bigger and you're bigger

I was a player  
when I was little  
but I'm bigger  
I'm bigger  
A heart-breaker  
when I was little  
but I'm bigger  
I'm bigger  
And all the haters  
I swear they look so small from up here  
Cuz we're bigger,  
and love's bigger,  
I'm bigger and you're bigger

(Remember those stroll down street) I remember that  
(Don't knock ya earrings) Like Yesterday  
(They shine on me) They were little then  
(In class I dreamed about you) My baby  
You wow wow (You wow wow)  
Since then all I can remember is the love only got  
Bigger

I was a player  
when I was little  
but now I'm bigger  
I'm bigger

A heart-breaker  
when I was little  
but now I'm bigger  
I'm bigger  
And all the haters  
I swear they look so small from up here  
Cuz we're bigger,  
and love's bigger,  
I'm bigger and you're bigger

I was a player  
when I was little  
but now I'm bigger  
I'm bigger  
A heart-breaker  
when I was little  
but now I'm bigger  
I'm bigger  
And all the haters  
I swear they look so small from up here  
Cuz we're bigger,  
and love's bigger,  
I'm bigger and you're bigger
