i'm going digital
di-digital
i'm going digital
di-digital
come and watch me now
just watch me
it's time to watch me now
just watch me
i'm going digital

i'm about to get it started
3 2 1 let me blast off it's
time for my limelight exposure
pull up to your screen
front seat if you wanna
i'm a post a youtube flick every week so
you can tell me why i will rise to the beat yeah
call me the internet champ

i'm a spin my web and catch these...
watch me watch me watch me go
blast it off i'm a count it down like
6 5 4 3 2 1

i know you wanna see the way i rock
rock ohh
i really wanna see them hands pop
up ohh
i'm a post it
you can watch it
gimme feedback
then we can act it
hit me up and get connected
hit me up and get connected

follow me,
twitter my style
