Well let me tell you a story
About a girl and a boy
He fell in love with his best friend
When she's around, he feels nothing but joy
But she was already broken, and it made her blind
But she could never believe that love would ever treat
her right
But did you know that I loved you? or were you not
aware?
You're the smile on my face
And I ain't going nowhere
I'm here to make you happy, I'm here to see you smile
I've been wanting to tell you this for a long while

What's gonna make you fall in love
I know you got your wall wrapped all the way around
your heart
Don't have to be scared at all, oh my love
But you can't fly unless you let your,
You can't fly unless it let yourself fall

Well, I can tell you're afraid of what this might do
Cause we got such an amazing friendship and that you
don't wanna lose
Well, I don't wanna lose it either
I don't think I can stay sitting around while you're
hurting babe
So take my hand
Well did you know you're an angel who forgot how to
fly?
Did you know that it breaks my heart every time to see
you cry?
'Cause I know that a piece of you's gone every time he
done wrong I'm the shoulder you crying on
And I hope by the time that I'm done with this song that
I figure out

What's gonna make you fall in love
I know you got your wall wrapped all the way around
your heart
Don't have to be scared at all, oh my love
But you can't fly unless you let your,

You can't fly unless you let yourself fall

I will catch you if you fall
I will catch you if you fall
I will catch you if you fall
But if you spread your wings
You can fly away with me
But you can't fly unless you let your,
You can't fly unless you let yourself fall

What's gonna make you fall in love
I know you got your wall wrapped all the way around
your heart
Don't have to be scared at all, oh my love
But you can't fly unless you let your,
You can't fly unless you let yourself fall

Fall in love
I know you got your wall wrapped all the way around
your heart
Don't have to be scared at all, oh my love
But you can't fly unless you let your
You can't fly unless you let yourself fall

I will catch you if you fall
I will catch you if you fall
I will catch you if you fall

If you spread your wings
You can fly away with me
But you can't fly unless you let your, let yourself fall
