It's your chance take her hand to the floor (to the floor)
Girl if you see something you like then let him know
Cause you only got one chance share your first dance
So take advantage of the slow jam
Tell it JB
Yeah man

When I close my eyes I see me and you at the prom,
We've both been waiting so long for this day to come
Now that it's here lets make it special
(I can't deny)There's so many thoughts on my mind
The DJ's playing my favorite song
Ain't no chaperones
This could be the night of your dreams

Only if you give...
Give the first dance to me girl I promise
I'll be gentle I know we gotta do it slowly if you give,
Give the first dance to me I'm gonna cherish every
moment,
Cause It only happens once, once in a life time.

I couldn't ask for more we're rockin' back and fourth
Under the disco ball we're the only ones on the floor
[I can't deny], There's so many thoughts in my mind
the DJ's playing
My favorite song now we're all alone, here's the
opportunity
Only if you give...

Give the first dance to me girl
I promise I'll be gentle(ill be gentle)
I know we gotta do it slowly, yeah
If you give, give the first dance to me (give it to me)
I'm gonna cherish every moment, cause It only
happens once, once
In a life time.

Everybody says that we look cute together let's make
this a night
The two of us remember, no teachers around to see us
dancin' close

I'm tellin' you our parents will never know
Before the lights go up and the music turns off
Now's the perfect time for me to taste your lipgloss,
Your glass slippers in my hand right here,
We'll make it before the clock strikes nine.

If you just give, give the first dance to me girl
I promise I'll be gentle but we gotta do it slowly
If you give, (give)
Give the first dance to me(give the first dance baby)
I'm gonna cherish every moment(ooohhh whhoo),
Cause it only happens once, once in a life time

It's your chance take her hand to the floor (to the floor)
Girl if you see somethin' you like then let him know
Cause you only got one chance share your first dance
So take advantage of the slow jam
Yeah man

If you give(give it), give the first dance to me(give it to
me)
I'm gonna cherish every moment
Cause it only happens once, once in a life time...
