The strands in your eyes
That color them wonderful
Stop me was stealing my breath
The emeralds from mountains
The thrust toward the sky
Never revealing their depth
Tell me
That we belong together
Dress it up with the trappings of love
I'll be captivated
I'll hang from your lips
Instead of the gallows of heartbreak
That hang from above

Chorus:

And i'll be you're crying shoulder
I'll be love suaside
And i'll be better when i'm older
I'll be the greatest fan of your life
(x2)

What day is it
And in what month
This clocks never seems so alive
And I can't keep up
And I can't back down
I've been losing so much time
Cause it's you and me
And all of the people
And nothing to do
Nothing to lose
And it's you and me
I've dropped out
I've bearned up
I've fought my way back from the dead
I've turned in
I've turned on
I've saw all of the things I've said

Chorus:

And I'll be your crying solder
I'll be love cuicide

And I'll be better when I'm older
I'll be the greatest fan of your life
