J-J-J JB Yeah  
Whoa Whoa  
No, No

Now I can see it girl  
You ain't gotta say nothin'  
Your lips are calling me  
Like they wanna do somethin'

I feel the chemistry, yeah your feelin' me  
A little kiss is a definite possibility  
Seen you a couple times, had a couple conversations  
Since you been on my mind, got a couple observations

Like you by chance, you could be my chick  
Play by the rules and you could get what I get  
Just keep it quiet, keep in on the hush  
And what we do, keep it just between us

I dont wanna see you Tweet 'bout JB cause  
The only people that should know is you and me so

Baby, i know that your cool with rockin' with me  
But i can't have you tellin' everybody  
That you got me all twisted with your lips like this so

Tell me, Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss me  
Then tell everybody  
That you got me twisting with your lips  
Girl are you gonna kiss n tell

It's confidential  
No one has to do with it  
You and me girl  
Tell em we're doin' it  
Don't need that TMZ  
In all our privacy

Use them lips for kissin' girl if you wanna ride with me  
And if you wanna tell somebody

Then we can call the whole thing off  
(No problem)  
You can go your way and i'll go mine  
But i rather spend a little time with you (Yeah)

Just keep it quiet  
Keep it on the hush

And what we do keep it just between us

I don't wanna see you Tweet 'bout JB cause  
The only people that should know is you and me so

Baby, I know that you're cool with rockin' with me  
But i can't have you tellin' everybody  
That you got me all twisted with your lips like this so

Tell me, Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss me then tell everybody  
That you got me all twisting with your lips  
Girl are you gonna kiss n tell  
Tell said are you gonna kiss n tell,  
Tell said are you gonna kiss n tell,  
Tell said are you gonna kiss n tell  
Kiss n tell

Don't tell your homies  
Don't tell your momma  
Don't tell your girlfriends  
That'll start some drama

Stay off that Facebook  
I'll treat you real good  
You keep this private, and you can get what i give (Oh)

Baby, i know that you're cool with rockin' with me  
But i can't have you tellin' everybody  
That you got me all twisted with your lips like this so

Tell me, Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss (kiss n tell)  
Tell me are you gonna kiss me then tell everybody  
That you got me all twisting with your lips  
Girl are you gonna kiss n tell

Kiss n Tell  
Woah

I'm not about that, if you're gonna kiss n tell  
No, No, No

You're gonna kiss n tell,  
You're gonna kiss n tell,  
Thats not me..
