KISS AND TELL tekst

yeah

j-j-j jb yeah

woaah woahh

no, noo

Now you see girl

You ain't gotta say nothing

Your lips are callin me like

They wanna do something

I feel the chemistery

With the things we make

A little kisses are a definate possibility

If i have a feel a thing

See you a couple times

Had a couple conversations

Since you've been on my mind

Had a couple observations

Like you were by a chance

You could be my chick

Play by the rules you can get

What i get..

Just keep it quiet

Keep it on the hush

And what we do keep just between us

(yeah)

I don't want to see tweet about JB

Coz only people that shud know was you and me so

Baby, I know that you cool

With rockin with me
But I can't have you tellin
Everybody you got me all kissin
With your lips like this

So tell me tell me how you
Gonna kiss kiss and tell tell me
How your gonna kiss kiss and tell
Tell me how your gonna kiss me
Then tell everybody you got me kissing
With your lips girl all you gonna
Kiss and tell

Its called a date short
No o ne has to do with it
You and me girl, tellin em' were doin it

Don't need that pmg
All in our privacy
Use em' for kissin girl if you wanna ride with me

And if you wanna tell somebody
Then we can call the whole thing off
(No Problem)
We can go your way and I'll go mine
But I rather spend a little time with you (yeah)

Just keep it quiet
Keep it on my heart
And when we do keep it just between us
(yeah)

I don't want to see tweet about JB
Coz only people that you know was you and me so

Baby, I know that you cool
With rockin with me
But I can't have you tellin
Everybody you got me all kissin
With your lips like this

So tell me tell me how you
Gonna kiss kiss and tell tell me
How your gonna kiss kiss and tell
Tell me how your gonna kiss me

Then tell everybody you got me kissing
With your lips girl all you gonna
Kiss and tell

Tell said are you gonna
Kiss n tell and i said boy
You gonna kiss and tell
And i said are you gonna
Kiss and tell (yeah)

Kiss and tell(ohh)
Don't tell your homies
Don't tell you mama
Don't tell your girlfriend
Now they'll start some drama

Stay off that facebook
I'll treat you real good
You keep this private
And you can get what i get (ohh)

Baby, I know that you cool
With rockin with me
But I can't have you tellin
Everybody you got me all kissin
With your lips like this

So tell me tell me how you
Gonna kiss kiss and tell tell me
How your gonna kiss kiss and tell
Tell me how your gonna kiss me
Then tell everybody you got me kissing
With your lips girl all you gonna
Kiss and tell
