Ladies love me
I'm on my Cool J

[Chris Brown]
My bad, I'm sorry
I'm double parked
Yah that's my Bugatti
And that's my Ferrari next to my Ducati
Call my old school Big Bertha , that big dotty
Boy I get exotic
My car need a pilot
Get free drinks to party
Your nigga need his wallet
No limit to what I'm spending so you know she's about
bout it
And who in the hell is smoking in here cuz it's super
cloudy
Goons with me dressed like skaters
Getting bruised kidneys
Stretch you later
Man my house so big
To the escalator to the elevator
Take the elevator to the private jet
Then that jet niggas see you later

[Hook]
Ladies love me
I'm on my Cool J
Yellow model chick
Yellow bottle sippin'
Ladies love me
I'm on my Cool J
Yellow Lamborghini
Yellow top missin'

[Justin Bieber]

Baby i'm yo docta,
I could be yo rocker,
Swaggin' i'm not braggin'

But I swear that I could rock ya'
Baby i'm not crazy,
I got swag like Patrick Schwayze
Y'know them haters never phase me
That's not how my momma raised me
I am incredible, this is inedible
Killin this track was inevitable
I am hetero, baby you better know Jb is generally just JB
look at me
No, I said look at me, swaggin with the crooked teeth
Body slammed the beats from D Beat, call me
Call me bookin t.
I said woah der, woah der baby you just need to stop.
(okay)
I'm busy out performing and i'm going to the top.
I got so much to lose, so i'm steady gettin gwap.
But them haters go down and we just get to watch.
Amazing, i'm blazing. look over here, said that i'm
amazing.
Nobody's facing, what i'm facing. set a pace, so I can
race without pacing.
Lace my shoes off, start racing. you can taste it,
without facting,
I mean fasting, start blasting. call up warren hill do-op
that thing
Swagger jacking, is not what I do. jb is the man, yeah
he's a true.
He's a beast when he steps up in the booth. I just
landed, I did too.
Ima gentleman, yes ima gentleman, ima on my
element, but i'm still elegant.
I'm full of adrenaline, you know what that means Louie
V hightops with the skinny jeans.
