Alright lets go
There's gonna be one less lonely girl(one less lonely girl)
One less lonely girl(one less lonely girl)
There's gonna be one less lonely girl(one less lonely girl)
One less lonely girl

How many I told ya's
And start overs and shoulders
Have you cried on before
How many promises be honest girl
How many tears you let hit the floor
How many bags you packed
Just to take 'em back, tell me that
How many either or's
But no more,
If you let me inside of your world
There'll be one less lonely girl

(Chorus)
Oh ah ah
I saw so many pretty faces
Before I saw you, you
Now all I see is you
I'm comin for you(I'm comin for you)
No no
Don't need these other pretty faces
Like I need you
And when your mine in the world
There's gonna be one less lonely girl

One less lonely girl(I'm comin for you)
One less lonely girl(I'm comin for you)
One less lonely girl
There's gonna be one less lonely girl
I'm gonna put you first
I'll show you what your worth
If you let me inside your world
There's gonna be one less lonely girl

Christmas wasn't merry, 14th of February

Not one of them spent with you
How many dinner dates, set dinner plates
And he didn't even touch his food
How many torn photographs are you taping back
Tell me that couldn't see an open door
But no more,
If you let me inside of your world

(Chorus)
Oh oh oh
I saw so many pretty faces
Before I saw you, you
Now all I see is you(I'm comin' for you, I'm comin' for
you)
No no
Don't need these other pretty faces
Like I need you
And when your mine in this world
There's gonna be one less lonely girl(I'm comin' for
you)
One less lonely girl(I'm comin for you)
One less lonely girl(I'm comin' for you)
One less lonely girl
There's gonna be one less lonely girl
I'm gonna put you first
I'll show you what your worth
If you let me inside your world
There's gonna be one less lonely girl

I can fix up your broken heart
I can give you a brand new start
I can make you believe, (yeah)
I just wanna set one girl free to fall(free to fall)
She's free to fall
Fall in love
With me
Her hearts locked and nowhere to get the key
I'll take her and leave the world
With one less lonely girl

There's gonna be one less lonely girl(one less lonely
girl)
One less lonely girl(one less lonely girl)
There's gonna be one less lonely girl(one less lonely
girl)
One less lonely girl(I'm comin for you you)X3
One less lonely girl
There's gonna be one less lonely girl

I'm gonna put you first(I'm comin for you)
I'll show what your worth(that's what I'm gonna do)

If you let me inside of your world
There's gonna be one less lonely girl(I'm comin' for you)

One less lonely girl(I'm comin' for you)X2
One less lonely(it's you girl)
There's gonna be one less lonely girl(I'm comin' for
you)
I'm gonna put you first(I'm comin' for you
I'll show you what your worth(that's what I'm gonna do)
If you let me inside of your world
There's gonna be one less lonely girl(yeah)

Only you shawty (haha)
