Walkin on red dirt no concrete pavement  
Navy blue book bag on my back

Couple miles 'til I'm at the grey hound station  
Hope they let me ride away with them

Got pretty mad at my father today  
But I'm still thinkin bout what my mother would say

As I'm singin an old song she used to sing  
When things weren't going the way she wanted them to

I wanna run away  
I do  
I wanna run away  
I do  
I wanna run away  
I do  
I wanna run away from you  
I wanna leave this school  
I do  
I wanna leave this town  
I do  
But she'll be worried sick if  
I do (if I do)

Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't run off and leave my mama at home  
Cause I'm her boy mama's boys  
Just don't run away, run away  
Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't

So I turn around and headed to the old run down  
building  
Bells gonna ring before I make it back

I watch the upper class men drive right past me  
Wish they'd let me ride away with them  
Still haven't got over it yet

It's been playin in my ears all mornin I swear  
My iPods the same tune my mother would sing  
When things weren't goin the way she wanted them to

I wanna run away  
I do  
I wanna run away  
I do  
I wanna run away  
I do  
I wanna run away from you  
I wanna leave this school  
I do  
I wanna leave this town  
I do  
But she'll be worried sick if  
I do (if I do)

Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't run off and leave my mama at home  
Cause I'm her boy mama's boys  
Just don't run away, run away  
Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't

Never get mad enough to walk out  
If I do then I won't be gone for long

Never fed up enough to leave her  
No matter what I'll love her just the same

That's my mama  
Yeah  
So no matter what I leave unless he's coming soon

Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't run off and leave my mama at home  
Cause I'm her boy mama's boys  
Just don't run away  
Run away, yeah  
Can't run away and leave my mama alone  
Cause I'm her boy Mama's boy  
Just don't
