Never say never (never never never)

You see I never thought that I could walk through fire
I never thought that I could take a burn
I never had the strength to take it higher
Until I reached the point of no return

And there's just no turnin back
When your heart's under attack
Gonna give everything I have
It's my destiny

I will never say never (I will fight)
I will fight till forever (make it right)
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up
Pick it up, pick it up (up up up...)
And never say never (ne-never say never x3)

I never thought that I could feel this power
I never thought that I could feel this free
I'm strong enough to climb the highest tower
And I'm fast enough to run across the sea

Cause there's just no turnin back
When your heart's under attack
Gonna give everything I have
Cause this is my destiny

I will never say never (I will fight)
I will fight till forever (make it right)
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up
Pick it up, pick it up (up up up...)
And never say never

Here we go
Guess who
J Smith and JB
uh huh

I got you lil' bro

I can handle him
Hold up, I, I can handle him
Now he's bigger than me, taller than me
And he's older than me, and stronger than me
And his arms are little bit longer than me
But it ain't on a JB song with me
I be tryna chill
They be tryna side with the thrill
No pun intended was raised by the power of will
Like Luke with the force if push comes to shove
Like Kobe with the fourth, ice water with blood (Let's
go!)
I gotta be the best
And yes we're the flyest
Like David and Goliath
I conquered the giant
So now I got the world in my hand
I was born from two stars
So the moon's where I land

Yeah
I will never say never (I will fight)
I will fight till forever (make it right)
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up
Pick it up, pick it up (up up up...)
And never say never

Never say never

I will never say never (never say never)
I will fight till forever (make it right)
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up
Pick it up, pick it up (up up up...)
And never say never (ne-never say never, never say it
x3)
And never say never (ne-never say never x3)
And never say never
