Chris Brown -
You've got that smile
That only heaven can make
I pray to god everyday
That you keep that smile

Justin Bieber -
(yeah) You are my dream
There's not a thing I won't do
I'd give my life up for you
'Cause you are my dream

Both -
And baby everything that I have is yours
You will never go cold or hungry
I'll be there when your insecure
Let you know that you're always lovely
Girl, 'Cause you are...
The only thing that I got right now

Chris Brown -
One day when the sky is falling
I'll be standing
Right Next 2 you
Right Next 2 You
Nothing will ever come between us
'Cause I'll be standing
Right Next 2 you
Right Next 2 You

Chris Brown -
You had my child
You would make my life complete
Just to have your eyes on a little me

Justin Bieber -
That'd be mine forever!

Both -
And Baby, everything that I have is yours
You will never go cold or hungry
I'll be there when you're insecure

Let you know that your always lovely, girl...
'Cause you are...
The only thing that I got right Oh..

One day when the sky is falling
