You've got that smile
That only heaven can make
I pray to God everyday
That you keep that smile

Yeah, you are my dream
There's not a thing I won't do
I'll give my life up for you
Cause you are my dream

And baby, every things that I have is yours
You will never go cold or hungry
I'll be there when you're insecure
Let you know that you're always lovely
Girl, cause you are the only thing that I got right now

One day when the sky is falling
I'll be standing right next to you
Right next to you
Nothing will ever come between us
Cause I'll be standing right next to you
Right next to you

You had my child
You make my life complete
Just to have your eyes on little me
That'd be mine forever

And baby, every things that I have is yours
You will never go cold or hungry
I'll be there when you're insecure
Let you know that you're always lovely
Girl, cause you are the only thing that I got right now

One day when the sky is falling
I'll be standing right next to you

Right next to you
Nothing will ever come between us
Cause I'll be standing right next to you
Right next to you

We're made for one another
Me and you (And you and you
And I have no fear
I know we'll make it through
One day when the sky is falling
I'll be standing right next to you
Right next to you.

One day when the sky is falling
I'll be standing right next to you
Right next to you
Nothing will ever come between us
Cause I'll be standing right next to you
Right next to you

Oh no no
Oh Yeah
Stand by my side
When the sky falls
Oh Baby
I'll be there

You've got that smile
That only heaven can make
I pray to God everyday
To keep you forever
