Woah oh yeah
(Whoa oh yeah)
Eh Eh (Eh Eh)
Whoa oh oh oh yeah

You're the finest girl I've ever seen
And I wanted you to know this
That every guy you meet ends up catchin' feelings for
ya
You can have any of 'em
You can take your pick
But you need to check with me
Girl I promise I'm legit
Yes we'd be goin to the movies
In the theatre holding hands
I'll walk you home from school
I'll walk you to your classes
Playing my 360 yes you'll be my best friend
But most of all baby doll you'll be my love love love

You should pick me
So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one, number one fan (dig
that)
And I should be your one and only man
You should pick me
So tell me can you dig it
Think of how good it could be girl
So tell me can you dig it
I'll always be your number one number, one fan (dig
that)
And I should be your one and only man
You should pick me, Yeah
You should pick me girl

You're my favorite part of the day
And every morning I look forward
To me seeing your face
I just need to see it some more
Baby I'm the kind of guy who can appreciate a girl

As amazing as you
So you gotta be my baby yeah
Cause we'll already be chillin at the beach
I'll take you on a cruise, Watch the sunset while we eat
You can have anything you want girl I'll be your best
friend
But most of all baby doll you'll be my love love love

You should pick me
So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one, number one fan (dig
that)
And I should be your one and only man
You should pick me
So tell me can you dig it
Think of how good it could be girl
So tell me can you dig it
I'll always be your number one, number one fan (dig
that)
And I should be your one and only man
You should pick me

You should pick the guy who makes you happy
Pick the flyer stuff
And pick the one who's got swag yeah
Pick the one who makes you laugh
The one that always got your back
Who would rather die, Than to make you sad
That's why

You should pick me
So tell me can you dig it
I'm everything you need girl
So tell me can you dig it
I'll always be your number one, number one fan (dig
that)
And I should be your one and only man
You should pick me
So tell me can you dig it
Think of how good it could be girl
So tell me can you dig it
I'll always be your number one, number one fan (dig
that)
And I should be your one and only man
You should pick me
(You should pick me 2x)

You should pick me
(You should pick me)

Whoa oh oh yeah
(Whoa oh oh yeah)
Eh Eh (Eh Eh)
Whoa oh oh oh yeah
Oh
