Can't make you my queen
When I first met her
I didn't even have anything
She had more money than me
She wasn't a rich girl
grew up in a messed up world
And when i met her
She didn't think lesss of me
She get the bigger picture
She know we both -
We can't take it with us
We belong together
Yeah she's so special
She's my rich girl
but if she was broke
I would still..
and my net froze
I told her I was hot
She told me that she cold
We are a tornado so we spin across the globe
I make money every day
and everybody surely knows
I'm a rich boy
a young pretty guy
She's pretty fly
She's pretty high
We're high together
Make change whether (x2)
Hopes and I love her
