## Verse 1

Is it okay, to show my face 'I'm wondering if i  
can talk to you, you're being rude, and there's no need to  
cry you departed me, pardon me, you left me, im sorry  
for whatever that i did to you  
from party to party and shots of Bacardi  
girl its clear to see i,

## Chorus:

Dont spend enough time with you (thats why)  
you dont spend enough time with me (thats right)  
i just wanna make it up to you (but how)  
im just gonna do it do it somehow  
Give me a second chance, girl a second chance  
give me a second chance. ima be a better man  
and i promise girl, I will do what i can  
to let you know that i am a changed man

## Verse 2

You tell your friends, that you dont know, what ima do  
next  
you're scared of me, no need to be, its not like im your  
ex

new years  
neither can replace the fact that youre gone  
truth is so visible its almost crystal clear

girl its plain to see i,
