Alright... aha... yea

Speaking in tongues  
Yabadabadabada-da  
Wala, I'm killin' this caca  
Call up Lady GaGa  
On my on my telephone  
Hello, dome  
Yea, my girl beats no metronome

My new chick, she a yellow bone  
I buy her Yellow Stone  
Cuz' I like it  
When she got that yellow on  
So I'm a raptor, tearin' it up like a tractor  
Matterfact, I'm killin' this track ur a slacker

Sack like a sacker  
Call up Mr. Brady  
Tell him leave his hair  
To the guy who sings "Baby", "Baby"  
Come and try to save me  
Lately, I've been hearing these things  
That sound crazy like...

Speaking in tongues

All right stop, drop, and roll  
Justin Bieber is on fire  
It's time to realize  
It's time to call me young sire  
You're the seller, I'm the buyer  
You're the teller and I'm higher  
I'm higher than the highest point  
Yes, I'm am Flyer

And I'm wired to the game  
Stay dry when it rains  
I'm tired of the fame, are you proud of the pain?  
Yes, we're the same  
Yes, I'm insane  
And my mane hangs down

I'm a puppet got string

I've murderd that, man.

Shawty Mane! Shawty Mane! What you doin'? Shawty  
Mane!

I'm Justin Bieber. You might know me uh as the guy you  
know who sings "Baby"

You know... uh... I'm a singer... pop singer... I'm white!

But uh... you know, that's why I do this, just to prove  
that... you know...

I got skills on the rap game

So yeah.

What up, Jewel Keys?

Yo, I killed that

Alright, peace.
