With you
With you
I wish we had another time
I wish we had another place

Now Romeo & Juliet
Bet they never felt the way we felt
Bonnie & Clyde
Never had to hide like
We do
We do

You and I, both know it can't work
It's all fun and games
'Til someone gets hurt
And I don't,
I won't let that be you

Now you don't wanna let go
And I don't wanna let you know
That there might be something real between us two
Who knew
Now we don't wanna fall but
We're tripping in our hearts
And it's reckless and clumsy
Cause I know you can't love me here

I wish we had another time
I wish we had another place
But everything we have is stuck in the moment
And there's nothing my heart can do
To fight with time and space cause
I'm still stuck in the moment with you

See like Adam & Eve
Tragedy was a destiny
Like Sonny & Cher
I don't care
I got you baby

See we both
Fightin' every inch of our fibers

Cuz aint no way it's gonna end right but
We are both too foolish to stop

Now you don't wanna let go
And I don't wanna let you know
That there might be something real between us two
Who knew
And we don't wanna fall but
We're tripping in our hearts
And it's reckless and clumsy
And I know you can't love me here

I wish we had another time
I wish we had another place
But everything we have is stuck in the moment
And there's nothing my heart can do
To fight with time and space cause
I'm still stuck in the moment with you

See like
Just because this cold, cruel world say we can't be
Baby we both have the right to disagree
And I ain't with it
And I don't wanna be so old and gray
Reminiscing 'bout these better days
But convince just telling us to let go
So we'll never know

I wish we had another time
I wish we had another place
Cause everything we did
And everything we have is stuck in the moment
Yeahhhh

I wish we had another time
I wish we had another place
(Oh no no)
But everything we have is stuck in the moment
And there's nothing my heart can do
(Nothing my heart can do)
To fight with time and space
(And space)
I'm still stuck in the moment with you

Yeah
