[Intro]

With you

With you

I wish we had another time

I wish we had another place

[Tyga]

Ugh, this is kinda how my heart sounds

Every beat like a image in the background

I'm sitting here, thinking where is you now

I wanna tell you but there's too many people round

You know I love you. I care but it's unfair

I aint perfect but I'm tryna be the best I can

If it's real than its gon come back again

So I'm letting go, I hope you understand

All your friends say, he don't love you

And the grown ups say its puppy

love aint lust, It's more unlucky

Until you meet a diamond girl, now its sunny

Loving you, it was us against the World

You my favourite girl, for you I would go to war

I, take this all in just to show you

Or maybe I'm just stuck in the moment

[Justin Bieber]

Now Romeo & Juliet

Bet they never felt the way we felt

Bonnie & Clyde

Never had to hide like

We do

We do

You and I, both know it can't work

It's all fun and games

'Til someone gets hurt

And I don't,

I won't let that be you

Now you don't wanna let go

And I don't wanna let you know

That there might be something real between us two

Who knew

Now we don't wanna fall but  
We're trippin' in our hearts  
And it's reckless and clumsy  
Cause I know you can't love me here

[Hook]

I wish we had another time  
I wish we had another place  
But everything we have is stuck in the moment

And there's nothing my heart can do  
To fight with time and space cause  
I'm still stuck in the moment with you

See like Adam & Eve  
Tragedy was our destiny  
Like Sonny & Cher  
I don't care  
I got you baby

See we both  
Fightin' every inch of our fibers  
Cuz aint no way it's gonna end right but  
We are both too foolish to stop

Now you don't wanna let go  
And I don't wanna let you know  
That there might be something real between us two  
Who knew  
And we don't wanna fall but  
We're tripping in our hearts  
And it's reckless and clumsy  
And I know you can't love me here

[Hook]

See like, just because this cold, cruel world say we  
can't be  
Baby we both have the right to disagree  
And I ain't with it  
And I don't wanna be so old and gray  
Reminiscing 'bout these better days  
But convince just telling us to let go  
So we'll never know

I wish we had another time  
I wish we had another place  
Cause everything we did  
And everything we have is stuck in the moment  
Yeahhhh

I wish we had another time  
I wish we had another place  
(Oh no no)  
But everything we have is stuck in the moment  
And there's nothing my heart can do  
(Nothing my heart can do)  
To fight with time and space  
(And space)  
I'm still stuck in the moment with you

Yeah
