Verse 1:

I'm in the club, shaking it up  
And I see your face  
I get a drink, hope it's luck  
Hope I'm not a disgrace  
A little word is all I gotta say  
So say it now, go on then  
Because he's getting away

Bridge:

I'm looking at you  
But is this right?  
Maybe I'm in for a treat  
Or a surprise  
Should I say it or not  
Oh my gosh

Chorus:

I just wanna say sup, sup, sup, sup  
You represent a dove, dove, dove, dove  
Say how you doing  
Let's get to it  
I just want to say sup, sup, sup, sup  
You represent a dove, dove, dove  
As nice as sugar  
You are my lover  
I just wanna say sup, sup, sup

Verse 2:

I talk to my friends  
He is cute  
Well go on then, talk to him  
But I'll probably mute  
Walk over, I'm waiting  
This game, when am I gonna start playing?

(Bridge)

(Chorus)

Verse 3:

Go say it now I'm waiting  
Just say sup now, I'm waiting  
Go say it now, go say it  
Go say sup now, yeah

Chorus:

I just wanna say alright, alright, alright, alright  
You wanna spend the night, night, night, night, night

Say how you doing  
Let's get to it  
I just wanna say sup  
You represent a dove, dove, dove, dove, dove  
As nice as pie  
You make me high  
I just wanna say sup
