Everybody's laughing in my mind
Rumors spreadin' 'bout this other guy
Do you do what you did when you did with me
Does he love you the way I can
Did you forget all the plans that you made with me
Cause baby I didn't

That should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me, That should be me
That should be me feeling your kiss
That should be me buying you gifts

This is so wrong
I can't go on
'Till you believe
That that should be me
That should be me

You said you needed a little time from my mistakes
It's funny how you used that time to have me replaced
Did you think that I wouldn't see you out at the movies

What you doin' to me
You're taking him where we used to go
Now if you're trying to break my heart
It's working cause you know

That that should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me, That should be me
That should be me feeling your kiss
That should be me buying you gifts

This is so wrong
I can't go on
'Till you believe
That should be me

I need to know should I fight

For love Or disarm
It's getting harder to heal
This pain from my heart

Ooh Ooh

That should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me, That should be me
That should be me feeling your kiss
That should be me buying you gifts

This is so wrong
I can't go on
'Till you believe
That that should be me

Holding your hand
That should be me
The one making you laugh (oh baby oh)
That should be me

That should be me
Giving you flowers
That should be me
Talking for hours
That should be me (that should be me)
That should be me

That should be me
Never should've let you go
I never should've let you go
That should be me
I never shoulda let you go
That should be me
