[Justin Bieber]

aw yeah, aw yeahh,
all i care about is money and the city that i'm from
i'mma sing until i feel it, i'mma go until it's done
i don't need to say wassup and my excuse is that i'm
young
and i'm only getting older, somebody shoulda told you
i'm on one, you know, i'm on one, yeah
i said i'm on one, you know, i'm on one
two white cups and i got that drink, it could be purple it
could
be pink, 'pending on how you mix that ish, money that
we got, never get that ish, and i'm on one, yeah, you
know i'm one one, yeahhh

you know what i like
oh yeah, oh yeah, huh
oh yes, oh yeah, uh
oh yeah, oh yeah

[Justin Bieber]

you just need to listen, i teach you how to fix it
cause you're the only one, cause i don't trust these
women
i don't, i don't trust these women, cause they might
have me slipping
you're the only one, i don't trust these women
cause they might have me slipping, cause you're the
only one
cause i don't trust these women, i don't, i don't trust
these women,
cause they might have me slipping
cause you're the only one

oh whoa, trust issues
oh whoa, whoa, trust issues
oh whoa, trust issues
oh whoa, whoa, whoa, whoa
oh yeah, yeah.

[Drake]

oh yeah, let's call up on drinkin' lets all get wasted,

on drinkin', let's all get faded

[Justin Bieber]

oh yeah, oh yeah

[Drake]

drizzy drake, check me out
coming live from the mothafucking north side
kick game, run game, run it real good
but never ever have my bitches sitting court side
same nigga that you knew way back when
you acting like it's somebody you don't know
tell me, how the fuck we supposed to stay friends
when you got a bunch of feelings that you don't show?
i could tell, i could tell, i could tell
certain people don't like me no more
new shit don't excite me no more
guess that they don't really make 'em like me no more
uh, you can look me in my eyes and see i ain't myself
cause if y'all what i created then i hate myself
but still, let them girls in and tell them all
leave their cell phones on the table where we see them
i'm all day with it man, a.m to the p.m
niggas hating, i just wish that they would say it when
they see 'em

[Justin Bieber]

that's that ish that drive me crazy

[both]

and that's all that i've been getting lately

[Drake]

and it's probably why i'm scared to put the time in
women want to fuck like they're me and i'm them
looking for some things and i think that i can find them
in you, in you
oh whoa, trust issues.
oh whoa, whoa, trust issues,
oh whoa, trust issues,
oh whoa, whoa, whoa, whoa.

yeah, aw yeah, aw yeah,
let's call up on drinkin' let's all get wasted,
on drinkin' let's all get faded
yeah, aw yeah, aw yeah,
call up on drinkin' let's, let's call up on, uh
