Why does she even obsess about her life with me
She's like "I don't need you! Just let me be!"
Why doesn't she ever care me, you see
Well I'm done with her and she's done with me!

You know, I thought of her as my love
And I miss her now that she's gone
Even though I'm writing this song
She's not there any more
Oh, she's not there any more

What does she want from me
I guess it's hard to see
Everything she does
I don't why she'd fuss
What does she want from me
Don't wanna let her be
Why is she so obsessed
She can't avoid her stress

(Whoa, Oh, Oh, Oh, Oh, Oh, Oh, Oh) (2x)

Flashback, we were nice and cuddly then
But then you broke my heart and let go of my hand
Didn't this of this relationship to end like this
You could have just gave me a hug or kiss (on the
cheek)

You know, I thought of her as my love
And I miss her now that she's gone
Even though I'm writing this song
She's not there any more
Oh, she's not there any more

What does she want from me
I guess it's hard to see
Everything she does
I don't why she'd fuss
What does she want from me
Don't wanna let her be
Why is she so obsessed

She can't avoid her stress

Whoa, Oh, Oh, Oh, Oh, Oh, Oh (4x)

Hey!

What do you say?

That girl is never coming back today

Hey!

What do you say?

She never wants to see me anyway

You know, I thought of her as my love

And I miss her now that she's gone

Even though I'm writing this song

She's not there any more

Oh, she's not there any more

What does she want from me

I guess it's hard to see

Everything she does

I don't why she'd fuss

What does she want from me

Don't wanna let her be

Why is she so obsessed

She can't avoid her stress (2x)

Whoa, Oh, Oh, Oh, Oh, Oh, Oh, Oh (Repeat until end)

(What does she want)
