Cause I put on my raincoat my yellow raincoat
Baby it's killing me to fight
I put on my raincoat, my yellow rain coat
You'll know exactly why
When the wind blows and the sun goes away
On a sinful (simple?) stormy day, that's when it's fine, that's when it's fine
And as it pours down, the water sprinkles off my jacket slow, yeahâ€¦jacket slow,
yeah

Whenever do I ever do I ever want this to faze me
Whenever do I ever do I want this thing to make me
Cause the fame and the money and the girls drive you crazy
And all the he said she said I'm thinking maybe (just put on my)â€¦!
Cause I put on my raincoat my yellow raincoat baby it's killing me to fight
I put on my raincoat, my yellow raincoat you'll know exactly why

As I look around I see, what I think can never change me
All I gotta doâ€¦is stay me
Let the rest do the work and I'm sure that I'll be
fine

When the wind blows and the sun goes away on
A sinful (simple?) stormy day that's when it's fine, that's when it's fine
And as it pours down, the water sprinkles off my jacket slow, yeahâ€¦jacket slow,
yeah

Whenever do I ever do I ever want this to faze me
Whenever do I ever do I want this thing to make me
Cause the fame and the money and the girls drive you crazy
And all the he said she said I'm thinking maybe... (just put on my)â€¦!

Cause I put on my raincoat, my yellow raincoat
Baby it's killing me to fight
I put on my raincoat, my yellow raincoat you'll know exactly why

(Just put on my)
Do-do-do-do-do-do do-do-do-do
Do-do-do-do-do-do do-do-do-do
Do-do-do-do-do-do do-do-do-do (Just put on my)

I put on my raincoat my yellow raincoat
Baby it's killing me to fight
I put on my raincoat, my yellow rain coat
You'll know exactly why (yeah)
