1st Verse:

you're the finest girl I've ever seen and I wanted you to
know this
that every guy you meet ends up having feelings for
you
you can have any of 'em, you can take your pick
but you better check with me
girl, I promise I'm legit

yes we'll be going to the movies
we'll be there holding hands
I'll walk you home from school
I'll walk you to your classes
playing my 360, yes you'll be my best friend
but most of all, baby doll, you'll be my love love love

Chorous:

you should pick me
tell me can you dig it
I'm everything you need, girl
so tell me can you dig it
I'll always be your number one, number one fan
big fan
and I should be your one and only man

you should pick me
tell me can you dig it
everything that we could be, girl
so tell me can you dig it
I'll always be your number one, number one fan
dig that
and I should be your one and only man

you should pick me
yeah
you should pick me, girl

2nd Verse:

you're my favorite part of the day and every morning I
look forward
to me seeing your face, I just need to see it some more
baby, I'm the kind of guy who can appreciate
a girl as amazing as you, so you've gotta be my baby
yeah

yeah, we'll already be chillin' at the beach
I'll take you on a cruise
and we'll sit while we be eating
you can have anything you want girl
I'll be your best friend
but most of all, baby doll, you'll be my love love love

Chorous:

you should pick me
tell me can you dig it

I'm everything you need, girl
so tell me can you dig it
I'll always be your number one, number one fan
big fan
and I should be your one and only man

you should pick me
tell me can you dig it
think of how good we could be girl
so tell me can you dig it
I'll always be your number one, number one fan
dig that
and I should be your one and only man

Bridge:

you should pick the guy that makes you happy
who can fly you somewhere
pick the one that's got swagger
the one that makes you laugh
the one that's always got your back
who would rather die, than to make you sad

Chorous:

you should pick me
tell me can you dig it
I'm everything you need, girl
so tell me can you dig it
I'll always be your number one, number one fan
big fan
and I should be your one and only man

you should pick me
tell me can you dig it
think of how good it could be girl
so tell me can you dig it
I'll always be your number one, number one fan
dig that
and I should be your one and only man
you should pick me

(you should pick me)
(you should pick me)
(you should pick me)

you should pick me
(you should pick me)
(you should pick me)
(you should pick me)

whoa whoa yeah
whoa whoa yeah
eh, eh
whoa whoa whoa yeah
(whoa whoa whoa yeah)
