Sunny
Yesterday my life was filled with rain
Oh Oh
Sunny girl
Smile at me
And really really ease the pain
Oh Oh
The dark days are gone
Now the bright days are here
My Sunny will shine so sincere
Sunny, one so true
I love you

Whoa Oh oh
Sunny
Ya ya ya
Thank you for the sunshine you gave
Whoa oh oh
Sunny
Girl ya ya
Thank you for the love you brought my way
Oh oh

You gave to me your all and all.
Now I feel like I'm ten feet tall.
Oh, Sunny one so true, I love you.
Listen baby,

You're my spark of nature's fire,
You're my one complete desire.
Oh, Sunny one so true, I love you.

I love ya, love ya
Love ya, Love ya,
Love you baby
Sunny one so true, I love you
Ya
