And leafless
You've got the spinal meningitis
Your words are vital, suicidal
Sticky vinyl
Color bridal
And now I'm painted blue

Yeah, you're too complicated
Past related, conversated
Might ring true
Quite frustrated
Suffocated
Sophisticated
Medicated
And now I'm painted blue

We're all one painted blue
I'm painted blue
Oh yeah, I'm painted blue
I'm painted blue.

I compromise
And then I sympathize
Oh, what I despise
And yes, rang true
But trust I'm wise
From all the little lies

And now I'm painted blue
I hope the gold one had this plan for me
I talk to god but only musically
I thank my friends cause you supported me
We're all one painted blue

Yeah, we're all one painted blue
I'm painted blue
We're all one painted blue

You've got to live this
Life like the passion, in a wedding
Pray for your homely stable setting
Comfortable bedding

And now I'm painted blue

I used to be so high-strung slanted
Straight from the doctor's door to manic
The key is, don't take anything for granted
You'll be enchanted
And then you're painted blue

We're all one painted blue
I'm painted blue
We're all one painted blue
I'm painted blue
